“ *Thank you Martha for being such a loving sister-in-law. You were always so gracious to encourage me and support me whenever we visited. I will always admire how you inspired everyone to be prayerful and loving. I will certainly miss our “family history” talks and hearing you laugh when Michael told his crazy jokes. We will all be reunited when the time is right. Give my mom and dad and your mom and dad and Sue a hug from me. Hoping you were able to gather your loving animals when you passed the rainbow bridge.*
Love you,
Anna-Laura
