“ *I will never forget Martha. She was a kind and sweet soul. Martha and I worked together at The City of San Antonio's Building Inspections Department. My office was adjacent to hers. I will never forget just how jovial she was; always making my day a happy one. She was so full of joy and laughter, and empathetic to those surrounded by her. She had a way of lifting one's spirit when going through rough and trying times. I will always treasure Martha in my heart and will never forget how she conveyed just how precious life was to us. May she rest in eternal peace, in God's Heavenly Kingdom, until we meet again. My sincere and heartfelt condolences to Martha's family in this difficult time.*
