“ *With all my love to my beautiful Godmother Martha. I feel so blessed to be part of your family for almost 25 years. Thank you for your loving heart and kind ways. One of my most beautiful memories was a moment I got to see between you and my godfather Edward. The look you two gave each other , no words had to be said, it was so beautiful to see the loving connection you both shared that so many people may never experience in a lifetime. You lived life to the fullest, you embraced every day, you truly are the example of someone with great strength. You might not be physically here but you will live through all the lives you touched and one of them was mine.*

I know I will see you in my dreams, as I see a standing star in the sky, when I see a big rainbow shining bright I know that's you watching over me.

God gained such a beautiful angel.

I love you always
