“ It's almost a year that you've been gone, Grandma. I think about you every night. It's still hard to do things without thinking about you. We went to corpus last year and it was a wreck, haha. I got sick and I couldn't do anything. I wish we would've went one last time before you passed. I knew you wanted to go really bad. Dad misses you a lot too. He says your passing is still fresh to him, but he doesn't and like to think about it or else he'll start crying. In dont blame him, I do too. We all miss you so much. I hope you're doing better up there in heaven with Grandpa. Love, Gabriella
