“ Grandma,

You never knew a stranger and your smile, laughter, and sweet soul were and will continue to be a light in the lives of those who knew you.

My life has been forever enriched and blessed for having you as my grandmother. While my heart is broken that you're no longer with us in person, I have peace in knowing that your kind and loving spirit are with us always.

I love you forever and always my girl.

*All my love,
Kaytlin*
