“ My name is Michele Martin-Cantu. I'm his former for patient at Warm Springs. Back in 2018.. Martin helped me walk again. He'd push me at every session to keep trying n not give up. Everyone there always looked for his help. .. patients n employees the same. He liked chzcake so if baked him a cake a. Couple times. He also like bn/cheese tacos n Carne guisada.. I'd take him some every once in a while. He was always appreciative. He was so friendly n kind hearted. He n my son shared the same birthday, about 38 yrs apart.. same day though.. we were shocked to hear this very sad news. RIP Martin... 🙏🕊️ n thank you for helping me walk again!

Very sadder to hear this. I, too was a patient at Warm Springs and Martin was a lifesaver. An awesome physical therapist, a caring individual although a little rough around the ages and a great dad to his children. I thought of Martin today, looked him up and found his obituary. Part of me wishes I hadn't looked him up. I suppose God had an even grander plan for Martin. I will miss and grieve you my friend.

“ I worked as a rehab tech with Martin while working through my undergrad. He taught me so much that I know today as a PTA. He saw potential in me that I failed to see myself. He challenged me and pushed me to be a great healthcare worker. Rest easy my friend. ❤️

“ I worked with Martin about a decade ago at Warm Springs and still remember his gentle, kind, and professional spirit fondly. He was wonderful with our patients and a caring and collaborative team member. I know he will be missed by so many.

“ Martin was a caring friend and fabulous therapist. He loved deeply and was always willing to lend a hand when someone was in need. He was such a proud daddy and spoke of his children all the time. Over the years we had many adventures together. His smile and sass will be missed. Rest in Peace my friend! - Love ya always

“ *Martin and I worked together for many years. He was a pain in the butt, lol, but he was ALWAYS there when we needed him. He was the first one to offer to help, the one who always took care of us. If I was hurt I knew I could always ask him to help me without reservation and he never said no. He was so good at what he did. He will be missed by many. Rest easy my friend 🥺💔*

“ *Martin was my physical therapist ( my spine, hips, etc) for many years. Then I had foot surgery and i was looking forward for my therapy. When I went for my foot therapy, he was no longer there. . He was the best and I will truly miss him. The best therapist. Loved his work, compassionate of his care for patients and a great human being. RIP MY FRIEND*
