*Hello Uncle Martin, today is Wednesday, August 5, 2020. Though I am not there in person at your visitation I am watching a live feed via webcasting video. I emailed Cindy a letter I wrote to you. It has my cherished memories that I will keep forever in my heart and a copy for you along with our picture. If I was there, I would give you a kiss on the forehead and tell you how much I love you. I would tell you that I will keep a tiny part of you in my heart as long as I live. It breaks my heart that my father, your younger brother Miguel could not attend as well. I know he is heart broken of your sudden passing. We will stay strong as we know you would want us too. I send you my prayers that you are in heaven being welcomed by all those who have passed before us. He will give you a place and a piece of His peace with a view of pure paradise. There is no more trembling, no more pain, no more lost hope, only eternal love from our heavenly Father, God.*

*Your loving Nephew,

“ My dad a peacemaker with a heart of gold. So many great memories that I will cherish. The best part of having an awesome dad is He accepted me for who I am and with all my faults. When God-created my dad he broke the mold And knew no other will be created like him.
