“ Marvin you will be so missed by all those that you knew you. There is a void that will not be filled. I remember all the laughs we had in school and online. I'm sorry that this disease took your body but your soul will not falter. Dance and laugh in heaven every day. Until we meet again

“ My childhood is decorated with memories of so much fun at your parents' house. I have to laugh thinking about Marvin trying to get the rest of us to settle down. Lol! Poor guy. I know he loved both of y'all's parents but he grieved so deeply for your mom. Now they are reunited. And get to hear your dad's jokes. AGAIN. my love to all y'all's.
