“ Good morning mom is what I say each morning since you changed your address. You must be very busy in heaven catching up since you don't respond. I miss you mom. You were my Rock at my most vulnerable time. You lifted me up and showed me a purpose to live. You guided me and showed me the light when there was darkness. You showed me strength when I was weak and you showed me kindness when there was cruelty. I am the woman I am today because of you. Love you dear mom, your daughter, Brenda

“ Hello Sweet Brother. I am sure you welcomed mom with open arms. She waited 81 years but could not wait much longer to be with you. The love she has for you triumphed everything else in this world . Heaven is rejoicing as she enters the kingdom of heaven. We love you all and will be reunited some day. May God Bless us till then. Love your sister and daughter, Brenda
