“ My name is Marsha Robinson Mudd and I just found out that my bestie in High School at John Marshall HS in the 60's had passed away in January! I am so very sorry for all of you, Dewayne, Robert, Tommy and brother Ricky and all those grandchildren. Mary was a fantastic friend, and a very special memory. I spent the night at her house out I-10 many times, where I met both parents. Our children, Ricky, Missy and Jenny would spend the night with the "Barker boys" I knew she worked at St. Peters Catholic Church for many years and was a blessing to Father Murphy. Ofcourse, busy with life, I never chased her down and am so very sorry, so sad. Knowing Mary her life was filled with goodness, kindness and love and oh, how she loved her boys. I would love to hear about Mary's life and hope and pray she was very, very happy. My heartfelt sympathy, Marsha Mudd (jmuddski@aol.com)
