“ *I have known Mary for many years from the time she and Joe went to the senior center with me. She always had a smile on her face and she always brighten up my day no matter what. We kept in touch with each other by phone and Facebook and we had so many things in common regarding her family and mine. I know her children and grandchildren and great grandchildren were her world. Sadly I always kept saying I need to go pay her a visit and life always got in the way and now she is gone. I will miss her so much but I'm happy she is reunited with Joe and Liz. My heart goes out to the entire family. I know your hearts are broken. My prayers go out to each and everyone of you! Rest In Peace my beautiful friend!*
