“ *I would like to recognize my mother, Sandra Cortez who took care of my grandma and did everything she could for her. She was there every step of the way and made sure my grandma was never alone. Especially during the holidays and birthdays. I would also like to recognize my sister, Clarisa Cortez who was also there for my grandma and at one point was my grandmas care giver as well. She loved her grandmother very much, we all did. She will forever be missed. I love you so much grandma. ❤️ May you rest in peace.*
