“ Another year without my beautiful mom on Thanksgiving Day. Mommy, although you were not here sitting we us at the table and I was not able to give you a Happy Thanksgiving hug and a kiss , I know your beautiful Spirit was here with us. I would do anything if only I could just see you one more time, spend a whole day with you, sit here in the living room and talk like we use to when you would come over and stay with Victoria and I.
Mommy I miss you tremendously. I love you so much.
Hope you had a wonderful Thanksgiving Day in Heaven.

“ Mama, today we celebrated your 1 year anniversary being with the Heavenly Father. We went to the cemetery and celebrated your beautiful life. We had 9 amazing doves flying over your grave. It was so beautiful. Mommy, I miss you so much. Sometimes I still can't believe your gone, but like they say, God needed an Angel in Heaven so He chose you to be one of His lovely Angels. Also wanted to say, that we're all doing fine. Your three daughters are getting along beautiful. I just wish we would have been like this when you were still here we us. Victoria is doing well. She is almost getting her masters degree. I know you would have been very proud of seeing her walking down the stage. I love you mommy, I love you so much. The first thing I'm going to do when I go to Heaven, is look for you and give you a great big hug and kiss and tell you how much I love you and how much I've missed you and never let you go.

One day we will be reunite and when that day comes, the first thing I’ll do is hug you tightly and tell you how much I’ve missed you and how much I love you. “ *Hi mommy! I miss you so much. How I wish you were here with us. I feel this is all a dream and I want to wake up from this horrible dream. They say to let you go so you can Rest In Peace but, you are in peace. Your in heaven with God. I will never ever let you go. I went to the cemetery Wednesday the 11th and took you some beautiful Xmas flowers. The stone that Louisa got for you is beautiful.
Mommy, I miss you, I miss you, I miss you tremendously. I can't understand why, why this had to happen. Like they say, God needed an Angel and you were that perfect beautiful Angel. I love you mommy. I love you very much ❤️*

“ Today is October 11th 2019 and it's been 2 months that you went to be with the Lord. Today I went to visit you at the cemetery. I sure do miss you mommy and I love you so much.

It's going to be very sad during the holidays. I don't plan on going to Louisa's, Letty, Siohban or Christopher's for the holidays. It's going to be very hard on me not seeing you there and I don't think I'll be able to take it. It's too painful.
Thank you for being such a wonderful mother and father to us. You gave me such a beautiful life. I will forever carry you in my heart and I will never let go.

Good night mamita Bonita. Ti quiero mucho
