“ *My most sincere condolences to my sweet Laura and and brother Geoff.*

Laura, my heart goes out to you both and other family members and dear friends of your sweet mom Geraldine.

I never met your mom, but you always shared beautiful stories to me about her. Even her still driving at her age and being of service to her church, organizations, and friends.

Thank you Laura for you being so much like her to me. You are always serviceable, generous and kind in assisting me with AIA issues of all kind.

You are one of a kind, and I can only imagine how awesome your mom was here on earth to all that crossed her path.

May God keep her in his kingdom and she Rest In Peace my friend.

May you, your brother and other family members find peace and healing.

Sending hugs of condolences for your pain.
