“ Sara,

I just found out about Angela.

She was a good friend and although we lost touch with each other I always thought of her. Please accept this but sincere condolence to you and the rest of the Flores family.

“ *With the loss of a family member where there are so many left behind. Dont forget what the Bible says for times like these. Most importantly, pour out your grief in prayer. Talking to others (as David did) or putting your feelings in writing (as Saul did) can help greatly to many. Remember you are sharing the loss of your beloved one! Everyone grieves differently, at their own pace and their own way. Always remember you are in the prayers of friends and family and God is the God of all comfort and will provide you with what you need at this , your time of need.*
