“ *RIP Tia Maria.*

“ *My earliest memory of my Tia Maria is her giving all the kids a ride to school in her station wagon. The older girls rode in the front and the younger kids rode in the middle section and the little kids rode in the back. It was so much fun all we did was laugh and play around. If my memory serves me correctly one time she stopped at a huge field so we could run around and play with the espinas. Tia you were one of the fun aunts and I wil always remember your laughter and the fun we had.*
