“ Our deepest condolences to the family of "Grandma Mary" as she was affectionally called by many including us. We will always be grateful that not only did she take us into her family, but also into her heart. We will never forget the love and joy that she always displayed with her family and friends. Her smile and laughter were contagious as it was an assurance of her love and compassion of her life and family. She left us with so many happy memories with her joining in on all holiday activities, cruises, other trips, and family gatherings of which there were many. We will miss her grace and charm deeply. May she Rest In Peace. We offer our prayers of comfort and peace for the family during this most difficult time.
