Mary M. Zinsmeyer Haegelin

August 15, 1922 - December 4, 2013

Our Mother, our Greatest Friend, Mary Zinsmeyer Haegelin passed away December 4, 2013 in the evening with her family at her side. She was preceded in death by her loving husband, Marvin E. Haegelin, and her parents, Helen and Richard Zinsmeyer and a sister Clarissa Donahue Ashley. Mary had started her nursing career after graduating from St. Louis Catholic School in Castroville, Texas in 1939. She married Marvin on April 15, 1941 in La Coste, Texas and lived on the Haegelin Ranch for the remainder of her life. She is survived by her son, Errol and wife Barbara, daughter Mary Marvin and husband, Eloy Chapa, 4 Grandchildren, 9 Great-Grandchildren and one Great-Great Grandchild. After her children were grown, Mary continued her nursing career and proceeded to work for several doctors-one in particular-W.C. Schorlemer, M.D., as an OB-Gyn nurse, working for him for 15 years. After retiring, Mary volunteered at Stella Maris Clinic for many years assisting in the OB-Gyn department. In her later years, she and Marvin took care of the ranch together, and enjoyed weekend trips to the hill country. After Marvin's death, Mary spent many hours checking the cattle and overseeing the ranch, loving the outdoors. No words can express the sadness and loss we are enduring without her. She is greatly missed by those who loved and cherished her.
