“ My Beautiful Cousin Maryhelen , you became an integral part of this family from the start , you and Yvonne set the bar for what love and relationships should be like and allowed a space for our family to experience the true meaning of “love wins”. There are few times in life that we get to meet someone so authentic and caring but you were just that! I pray for God’s grace to see our family through the days ahead without your physical presence because your spirit and memory can never be forgotten or replaced.

*I miss you so much MaryHelen. I still cannot believe you left us so soon. The day you passed I felt something was wrong. My chest hurt. I was so so sad but didn't understand why. I cried all day. It wasn't until the next day I got the call letting me know you passed away. I felt your spirit leave this world. It was so devastating. You were like a sister to me. I loved talking to you about anything and everything. You always had such great advice. I miss our talks and walks. I sure would love to hear your voice one more time. To hear you laugh and tell me I'm a nut and tease me about liking Whataburger so much. You were a true friend. One I could always rely on to be brutally honest with me and tell me the things I needed to hear even if I didn't want to listen. You were one of a kind for sure. I love you MHD. Tell we meet again. This is not goodbye, but see ya later.*

“ My deepest condolences to Yvonne and the Castillo Family. My Beautiful Helen, I am going to miss you so much as you were so genuine and always a sweetheart to me. From our childhood days playing together to all the good times and memories we made along the way. Neither time nor distance could ever separate the bonds we shared as you were always Family. Such a gentle soul who was so beautiful both inside and out. You were also a loving and caring person I was blessed to call my Cousin. I'll miss your smile and cherish that last photo we took together. It doesn't seem fair but we never question God, as I am thankful for the 58 years He blessed and allowed us to share with you. Adios and Rest In Peace Angel, until we meet again one sweet day. Love your Cousins,
