“ *My dear sister-in-law, my sister. Losing you is so very hard. You've struggled so much and now it's time that you rest and enjoy the glory of being in God's loving hands and in the warm embrace of your beloved Sonny. I know Sonny would have wanted you to remain here on earth with your beautiful daughter's, grandchildren, and great grandchild but I know he is so ready for you to be at his side watching over each and everyone of us.*

Please know that we will be here for Venessa and Tracy every day of our lives. There's no way that Vince and I could ever replace you and my brother but we will do our best to love and support them and their families as we always have.

I have so many memories of days gone by, of the good old days...I remember the first day we met, you, me, and Sonny at the turtle race...I loved you on that first day we met and knew immediately that you would become my 'sister'. Your beauty, charm, and love will live on in our hearts forever.

Rest in peace our beautiful Mary.
