“ I am so very sorry to hear of the passing of sweet Mary. I honestly have some of the greatest memories of her from the years my daughter attended SWE. Mary would always look out for Sadie, as I am sure she did for countless other children. It always made my day to be able to have a quick conversation with her and a laugh. Mary thank you for your presence in my life, and your kindness. May you rest in peace.

“ I am so saddened to hear of Mary's passing. I have very fond memories of her when she worked at Southwest Elementary. She and I have stayed in touch ever since we both retired from there. She was a sweet, beautiful soul. Thank you Mary for all the great meals you fed me at Southwest and your friendship beyond that.

“ Those we love remain with us  
For love itself lives on,  
And cherished memories never fade  
Because a loved one's gone.  
Those we love can never be  
More than a thought apart,  
Far as long as there is memory,  
They'll live on in the heart.

*I have so many memories of times spent with your Mom, your family. Almost all of them make me smile or laugh. We had fun and I will always remember your Mom and Dad with a smile on my face. In my head I know they are together but my heart still hurts that she gone.*

*I hope you know I will always be here for you both, I am never further away then a phone call.*

*My deepest condolences on the loss of your sweet Mama. Love you.*
