My First Christmas in Heaven

by Unknown

I see the countless Christmas trees
around the world below

With tiny lights, like Heaven's stars,
reflecting on the snow

The sight is so spectacular,
please wipe away the tear
For I am spending Christmas with
Jesus Christ this year.

I hear the many Christmas songs

that people hold so dear
But the sounds of music can't compare
with the Christmas choir up here.

I have no words to tell you,
the joy their voices bring,
For it is beyond description,
to hear the angels sing.

I know how much you miss me,
I see the pain inside your heart.
But I am not so far away,
We really aren't apart.

So be happy for me, dear ones,
You know I hold you dear.
And be glad I'm spending Christmas
with Jesus Christ this year.

I sent you each a special gift,
from my heavenly home above.
I sent you each a memory
of my undying love.

After all, love is a gift more precious
than pure gold.
It was always most important
in the stories Jesus told.

Please love and keep each other,

as my Father said to do.
For I can't count the blessing or love
He has for each of you.

So have a Merry Christmas and
wipe away that tear.
Remember, I am spending Christmas with
Jesus Christ this year.

“ *She was the best mother-in-law a woman could have. She was always willing to help in anyway she could , give advice when it was asked for and support when it was needed. She helped me learn to cook more than just fried chicken and scrambled eggs, which was about all I knew how to cook when I got married. I remember and still have a little cookbook she gave me that showed me how to cut up a whole chicken into serving parts. In the 1960s when I first got married , It was a lot cheaper to buy a whole chicken than one that was already cut up. She willingly shared many of her recipes which helped me learn to cook. While already in her 90s, when I came to visit a few years back she made a special effort to make the enchilada casserole that I always loved. That special effort really meant a lot to me. She will always be in my heart and memory and I know she's another one of God's angels up there taking care of others. I will miss her dearly. Barbara Evans*

*When my brother and I came to visit grandma she would always make sure we had a good time during our visit. One time I remember she took us to the movies and we saw *The Green Mile* and I cried my eyes out another time she took us to see *Best Little Whorehouse in Texas* starring Dolly Parton... I don't think I ever saw her laugh as hard as she did . She always had a great sense of humor and always had a smile on her face! The first thing Matt and I would do when we came to visit her was to go into her special game drawer in the kitchen and pull everything out of it! She had little plastic soldiers Yahtzee and a wooden puzzle of the United States*
