“ Jane (Jainie) was my first cousin and the bravest one of all! She took me under her wing after my mother died. Long before that she made me a red poodle skirt and a green sequined bag for my Jack's and ball. She was very artistic and sharp witted. She took me to get my wedding dress and veil. She took me to New York City after 911. She was a Shero! She is a bright Light who mothered 3 amazing humans. Jane was easy to laugh. She's flying high and free now! Go Jane, go!
