“ *Jay, Larry, Michael and families, we want to share our most heartfelt condolence for the passing of a very dear and beautiful lady, Mary Louise. She was two years my senior in school but her attributes had no limits. I knew guys who truly had crushes on her - and the best man won. The OBIT touches on her contribution but only touches. Her dad and mom were cornerstones for our community for many year. She continued the same as long as she could. The Lord says it's time to join Dobb but we who remain will and have truly missed them.*
