Moma it's me your baby Crystal it's hard to say goodbye to you I wish you were still here I feel so empty like a part of me is missing and I dont think that hole is ever gonna get filled you are everything to me mom we were always so close the person that was always there for everything I just cant believe your really gone every time I come home it doesnt feel right in my head I see that your just in your room laying on your bed watching your shows but when I come back to reality I kno your not there I dont know how I'm gonna make it with out you mom we had are ups & downs but we always forgave each other for everything I did as much as I could for you even if you think it wasnt enough I'm just happy to say that I'm glad I was able to spend these last few months with you I'm so grateful to God that he gave me a mother like you the kind of mother that did anything for her kids I'll forever miss you mom and I'll try to be strong for you but it's hard because you & I had a relationship like no other I love you mom RIP

“ Mom am your middle child .. I know I have alot of you in me .. I'm thankful for having a mom like you you made me who I am today . I feel like its just a dream . Now I know what you meant about loosing a parent . A part of your heart is missing . I know I have your laugh and that I will have forever thanks mom for all you did . All the protection all the love . What hurts alot is faith is asking for you she still thinks ur in the hospital .. she loves you alot we all do . This is so hard to do but I know you guided me threw it all I know you did .thank you mom .I love you ..., your daughter Mary Ann.
