“ *I have so many of us in our young days drinking and have backyard bbqs, screaming at our kids. Always having fun. Thank you for being in my life. I will never forget you and your kindness. Always my sister in law in my heart.*

“ I'm am a big believer in UFOs and if you've seen the movie 'Signs' they use foil hats to stop the aliens from reading their minds. Well my mom and son would make fun of me and one day after this pic was taken I was outside watching the sky and BOOM my mom and son come out with pots on their heads hitting them with serving spoons yelling 'WERE HERE ALEINS HAHA YOU CANT READ OUR MINDS'!! They laughed so hard and made their way back inside. How could I not laugh with them. I will forever miss my mommy and I love every great memory I shared with her and I love that my son is the same as her in so many ways. I will miss her for the rest of my days.💔💔💔💔

“ After Mary and my brother were married, they came to my Mom's house. She asked if we could speak in the other room. I could see she was upset. I had loaned Mary my wedding veil for their wedding & she starts telling me, "Susan I'm very sorry but I think someone got too close to me and burned your veil with a cigarette and I'm sorry ! I promise I'll buy you a new one ok, I promise !" I told her not to worry about it & that I didn't need another one. She asked, "But what if you want to wear it ?" We both just looked at each other & fell on the bed laughing. I told her, "By the way, you got food on it too !" Which brought on another round of laughter. She loved to laugh. Rest in Peace my Sister.

“ *Mary & I were always together as teens we always did things together. one day we were supposed to go meet up with some guys fr job corps. we had bought some heels that day. anyway on our way we decided to go down the Riverdale. well it suddenly got quiet so I looked back & we she had fallen down the stairs of course I got scared thinking she hurt herself I asked if she was ok as always she was laughing so hard. apparently her heel had broken so she decided to put gum to hold it. guess what we made it like that all night. I have so many beautiful memories.*
