“ *My Dear cousin Mary...I know you're now in a very special place. No words can express how much we appreciate everything you always did for our family. I will pray that our Heavenly Father grants you lots of love for all you did for us here on earth. You took care of my mom and us when we were kids without hesitating. I wish we could have been closer to you to see you more often. Life is not eternal we know that, but we always thought of you & always remembered all the good things you and all your family did for us. I didn't get to say good bye or to Thank you enough. You will always live in our hearts because you were our Angel in disguise ☐ Only God knows all the good things you did for others and that is priceless ❤️❤️ May you Rest In Peace and someday we'll see each other Once again.
