“ In "Googling" up old Waco High School buddies, this site popped up. As a student of that wonderful school in a by-gone era, I had classes with and dated once - a Trox Perry. He was our star football player. dd

“ Your mother was a beautiful lady who never met a stranger. I remember to this day the first time I saw her at Jacques and Lisa's graduation from Texas A & M. She was so hospitable. She greeted everyone with her beautiful smile and wit. She will be missed
