“ We are deeply saddened to lose our sister and Tia Mary. She was always so feisty and strong and adorable and will be missed. Only our mother Gloria remains now, the baby of the family, so we will cherish every day we have left with her. Our love and prayers to the entire family. “ I am saddened by the loss of my Tia. I have special childhood memories of her visits to Laredo to gather with her sisters and brothers to celebrate life together. It was very special to spend time with her recently in Laredo. We were filled with joy as she reunited with our family. God Bless,
