“ *Mary Jo was a loving and generous person. My dad had a special bond with her. He considered her his "little sister". They always kept in touch and reminisced about growing up together. There was always laughter in their conversations which ended with her saying " I love you". Her love and support helped him through the most difficult times in his life. I can only imagine how many others lives she touched with her beautiful soul. God's angel has returned home and she will be missed. Until we all meet again. With love and sympathy, Vela Family*

Mary and Primo were really good people and great friends of mine. Mary always made me feel comfortable in her house. We would talk and laugh and hang out. It was so much fun. She made me and my husband (Mike) feel so at ease when we would run into her. We would go out and just enjoy each other's company. I will miss you Mary. I'm glad you are not suffering anymore. It is time for you to rest now. With much love Rose.

“ Words cannot express the tremendous sadness we're all experiencing due to the loss of my beautiful Aunt Mary. She was more than an Aunt to my twin sister Bennie and I. She was our second mother who helped raise us when we lost our mom, (her sister Becky) while still in high school Aunt Mary stepped in and never wavered from her unconditional love and support for us throughout all these years. She was at every family event, celebration(s), family dinners and gatherings cheering us on as our #1 FAN, when in fact she was our real MVP!!!

Joanne, Aida, Roy & Tony, THANK YOU ALL for sharing your mom with us and for all the beautiful memories we will always cherish and forever hold close to our hearts. She loved you all so very, very much and may her legacy continue to live through each and everyone of you and your families.

“ *My beautiful grandmother. It's hard to put into words how I feel. So many emotions overcome. So many memories growing up. Every memory what I see most is your smile. Not a visit went by that I didn't see you smile or feel how much you loved me through your hug. I love you so much. I wish our boys would have had more time, I wish I would have visited more as I grew older but I promise my sons will know you and grandpa through us. We were blessed with the fire in your heart and it will forever be lit in us. I love you grandma and smile knowing you are with the love of your life. Please watch over us I pray to make you proud.*

I take comfort in knowing she is now with Primo and not in any pain. May she Rest In Peace knowing how much she was loved by me and my kids! She will be greatly missed but will live forever in our hearts and in all of our many great memories of her. Goodbye Mary.*

I always knew her by Maryjo. She was my mother's sister in law but in reality she was my mother's sister. We loved her so much because of the love she had for our mother. Maryjo was a beautiful person who was there to help when it was needed. I can go on and on of her goodness. I will greatly miss her but at the same time I am very happy that she didn't suffer.
