“ Ms. Alice Thank you for everything you did for me in middle school & in Highschool. You were always there for me and for my grandma. I remember you especially being there for us when my grandma lost her job.
When I would act out or get mad you would put me in my place... and thankyou for that because I needed that. At the time I didn't think I did lol but looking back it was necessary.
You always said what's was on your mind and told the truth 1000% and you were always willing to help someone in need. I and countless of other people are truly blessed to know someone as caring as you. I love you Ms. Alice.
