“ *When Janice and Louis were looking for a church to attend in the southwest part of San Antonio, Janice called my office at The Life Center at which time we had a lengthy conversation about what our beliefs were as a ministry. After having spoken with her she asked me to speak with Louis so that we could introduce ourselves. Our conversation ended with the words "We will be there Sunday!" Sure enough come Sunday they both arrived and never left! They both attended our ministry for 5 years in which time they were a blessing to the church and membership. One special memory I have of Janice was her knowledge of God's word. She was always attentive to sermons and bible studies. On thing she constantly reminded me of was the I needed to stay close to my microphone so she could hear me clearly. Janice has left her testimony of being a godly woman who loved her lord and savior Jesus Christ. As her pastor and on behalf of the Life Center's congregation we extend our prayers and condolences to all of Janice's family. May the lord Jesus comfort all of you during this time.*

Momma loved celebrating Jesus through music as much as she did through scripture. Her service was the perfect way to honor her, just enough of both. Thank you Pastors Willie, Alicia and Edward for your part in her final celebration in this world.
