“ *I miss you Mom*

Melodie Dresch - March 11 at 07:07 PM

“ *Dear Mom I have too many memories and I am finding it difficult of which ones to share all I know it's going to be difficult without you although Alzheimer's stole you from us too soon as long as I knew you were still around I was fine but now you are gone and I can feel myself wanting to panic not sure if I can handle this place without you near. I love you and from now on will try my best to make you proud. Your daughter Melodie*
