Mary Lou would call me almost everyday to check on me. Wanted to know how I was doing after my son's (Jimmy's) death. We talked for long periods of time. Talking about everything we laughed and cried both at the same time. I will for ever miss you. Love you

Our condolences to all the family. My mother Sulema was her cousin and I remember my mom telling me how they would go dancing on the weekends back when they were young. I know they are all together now. We will miss them all here but will join you when our time comes. With love in our hearts. 🙏
