“ Dear, Grandma Garza,
I want to start off by thanking you for being so kind and sweet to us, we were never treated differently and I extremely appreciated that growing up. Our visits were always hugs and kisses and I love you with. I will never forget your smile and your flower scent. God saw you fighting not to leave you children, but your tired eyes couldnt stay open anymore. I imagine you walking around on your own pain free in heaven smiling down at us. Your will truly be missed and never forgotten rest in peace Grandma.

My brothers and sisters (Garza family),

As we lay mom to rest, let us find comfort in knowing that mom lives forever in our hearts. I know that we are all broken hearted and we will miss mom always. We all loved mom so very much. My hope is that we can find it in us to celebrate her life. We had so many wonderful times with mom. May mom rest in peace and may God bless us all.
