“ To our whole family, I just want to let you know how much I treasured, loved and miss mom. She was more than my mother-in-law she was a true friend and mother. Always loving, caring, sharing, comforting and giving all she had to those of us that touched her life. Her joys were taking care of her family, garden, birds and all those who needed any help. I have countless, wonderful memories of her and our family. I admired her drive, dedication, love, forgiving, her sense of worth which she inculcated to all of our family, the values, Heritage, tradition, unity and humility. Love you forever mom I will always have you in my heart, prayers and mind. Rest in peace.

Your loving daughter Eloisa Martinez
