“ Today I was reminiscing of my teenage years and who was part of it, yes Mr Ottea. The voice of our HS Eagles football team. Along with that, he was the man whom showed me how to give “That extra service” regardless of what I was doing. I worked on his yard many times (home and office), he was one of my special customers at Pizza Hut, and with his silence, spoke many words.
I’m privileged to have met this man and his wife. May you RIP now.

“ I worked with Matt 33 years. When my wife and I moved across the street from Frances' mother...Matt said in his serious humor way.. "There goes the old neighborhood!" Love to all.
