“ *We had a big party for him and his wife's 69th wedding anniversary. He had requested 1940s to 1950s music to be played. They had a huge cake. Their kids and grandkids sang for them and visited. It was a good time. We didn't have all of our family but Max aka Popop told me "This is wonderful and I love having family get togethers". He smiled so much and it was an amazing memory. We ALL loved him ,enjoyed his fun attitude and glad he is resting in heaven. Prayers for comfort and strength during this difficult time. My sincerest condolences.* ”

*Dear Eleanor and Family, I worked with Max at the USAFSS Tempest Lab Medina Base in the early 1970's and always appreciated his walk on the bright side and ability to get things done. Very capable and hard working officer who provided the leadership to carry the important mission that we had at that time (believe we were Tempest testing Air Force One and other top Air Force communication requirements at that time). Our sincere condolences to you and your family on your loss. As a strong Catholic Max will be walking with the Prince of Peace, our savior Jesus Christ thru Heavenly eternity.
In Christ, Bill Duvall and family*
