“ *I spent a night at her home one year. We had a great conversation and she told me then "Have you ever seen a Brinks truck at a funeral?" I took that to heart and have tried to not sit on my savings.... What a special lady!*

“ *Maxine was so special. I remember once when I had a difficult time at work and she came to my rescue. She helped me out of a real jam. I always remember how she managed so many guys and yet was always dressed impeccably. Grace and cheerfulness is what I think of when I think of Maxine.*

“ *Maxine was a very special lady and a wonderful nextdoor neighbor. We were neighbors for over 30 years on Cammie Way. So many great memories of visiting with Maxine "at the mailbox" and at our local beauty shop. Our children loved her. She was so sweet to them.*

“ I am so grateful to have known Maxine for the many years we worked at Zachry. She is a beautiful person, both inside and outside. She was a knowledgeable smart, kind and generous coworker and friend. I always enjoyed spending time with her during work, or socializing. We all loved and admired her for her good nature, her positivity and her humor, and of course her charm and glamorous good taste and design. One of God's beautiful people, we thank God for our friend Maxine, and we send our sympathies to her loving family, God bless her, may she rest in peace in our Lord's embracing arms.

Maxine was a remarkable woman and admired by so many of her Zachry family/friends. Unique and unforgettable. Looking forward to seeing her in Heaven where she will have decorated a party room and looking at the gates for each of us who loved her.
