“ My condolences to the Lee family. May Lee was my supervisor at Kelly AFB back in the 80s. She was a beautiful person and we became very close friends. I adored May Lee and she taught me as much as she could so that I would continue in the item management specialist field. I still have the jade bracelet and the pendant she gave me for good luck about 35 years ago. I retired from civil service last year with 38 years of service. JO Ann
