

Maya Luna Ruiz

November 10, 2006 - September 3, 2016

God dropped an angel from heaven down to earth on November 10, 2006. She was born with special needs and has been well loved and cared for by her mother, father, family, friends and loving medical staff for the nine wonderful years we were blessed with her. She attended 4th grade at Rayburn Elementary. She had a smile and laugh that made everyone love her. She was awarded Best dressed 3 years in a row and was our little fashionista. Maya traded in her wheelchair for a pair of wings on early Saturday morning on September 3, 2016. Her life has touched the hearts of many and she will be never forgotten in our hearts and memories. Maya leaves to mourn her passing, her mother, Sara Ruiz, her loving father, Rogelio Ruiz, her grandmothers, her aunts, her uncles, little sister Serenity, brother RJ and a host of friends and relatives too numerous to name. We will miss our little angel and the family would like to thank you for all your love and support during this difficult time.
