

Melanie Ann Stovall

September 4, 1963 - May 23, 2024

Melanie Ann Stovall was summoned by the Lord on Thursday, May 23, 2024. She was born on September 4, 1963; the eldest child of Robert and Virginia Flores, and raised in San Antonio, Texas. At the young age of 16, while attending Ursuline Academy, she met and fell in love with her husband Robert Stovall. They were married four years later and their legacy lives on through their three children and 16 grandchildren.

In God's Providence, she was born a Flores (flower), baptized at the Church of the Little Flower, married into a family of florists, and a sweet floral fragrance embraced her as she passed from this life during the peak of the flower moon.

Melanie was a devoted Roman Catholic and beloved wife, mother and grandmother. As a selfless volunteer, she was a founding member of the Adoration Chapel at Holy Spirit Catholic Church and every Thursday for the last 20 years, dedicated herself to 3am adoration of the Holy Eucharist. She was a proud founding member and missionary of our church's ACTS retreats, here, and in 3 other states throughout the country where she spent countless hours on team directing and co-directing. Melanie was a passionate pro-life advocate and participated in many pro-life prayers and vigils. As a believer in the sanctity of marriage, Melanie and Robert led pre-cana counseling for 10 years at Holy Spirit as well as avidly supporting the Alexander House, which

helps couples with their marriages.

Melanie was a talented Texas Master Florist for Janal Wholesale for over thirty years. Designing weddings and floral Arraignments were one of her many creative gifts that she never hesitated to selflessly provide for family and friends. Along with her love of serving God, her heart also lied in spending time at the family ranch with her husband, children, and grandchildren.

She is survived by her husband of 41 years, Robert Sr.; her mother, Virginia Flores; her three children: Jacqueline Eberle (Ben), Robert Stovall II (Sarah), and Zachary Stovall (Jacqueline); her brother Michael Flores (Shelly); her two sisters: Laura Nichols (Stephen) and Julie Sansavera; and her sixteen grandchildren: Robert Anthony III, Zoe Hazel, Ava Lucia, Elijah Xavier, Noelle Avery, Oscar Lee Maximillian, Zachary Alva, Mia Bernadette, Keller Bo, Rocco Blaise, Calvin Peter Barrett, Maximilian Kolbe, Palmer Grace, Leonardo Augustine, William Robert and Clara Ann.

A Rosary Service will be held at Holy Spirit Catholic Church at 9:30am on Wednesday, May 29, 2024, followed by a funeral mass at 10:00am. After the mass, Melanie will be interred at Cordi-Marian Resurrection Cemetery on 11624 Culebra Rd, San Antonio, Texas. Afterwards, a reception will be held at Holy Spirit Catholic Church for family and friends to celebrate our times with Melanie.

In lieu of flowers, Melanie would love donations to be made to The Alexander House (www.thealexanderhouse.org) to help with their mission of stronger marriages.

“ I met Melanie while on Team for an Acts Retreat in California, back in 2006. I remember how beautiful she always was, I bonded with several of the women on this retreat, and a few of us after the retreat was over, Melanie, Sarah Weaver and Shirley E. (Sorry can't remember last name), went to Hollywood, stayed with friends of Sarah's and went to the Price Is Right, one of the last shows with Bob Barker! We then headed to the beautiful beach and got to watch the most peaceful sunsets I've ever seen. One of the funniest/scariest experiences I've ever had was when we discovered upon our return to the car, that the keys to our rental car had been lost on the beach, while looking around the car for the keys, I had dropped all my collected rocks from the beach, when I stood back up, I saw that everyone had taken off in search of the keys... our purses were in the car, including my phone, I realized I had only put \$10 in my pocket so I decided to go too Bubba Gumps that was on the pier as it was already dark. Thankfully everyone showed up at the restaurant and found me. The rental car company picked us up and we were once again on our way. Afterwards, this amazing group of ladies invited me to attend First Friday service with them at St. Joseph, where we witnessed an incredible experience on my very first visit to a church that has a 200+ year history in my family. I remember the look of amazement on Melanie's face... we all had so much to talk about after. She was such a beautiful soul...I will always remember her kindness and laughter. This retreat was one of the best ones I had ever participated in.

“ Remembering all of the ACTS retreats that we teamed on together, especially the one we co-directed and the Sacred Heart of Jesus kept showing up everywhere. Also, our California mission retreat. A group of us took time out to watch the beautiful sunset at Santa Monica beach. It was quite dark when we made it back to the pier, only to realize that the keys were lost somewhere on the beach with all of our purses in the trunk. lol. Luckily the rental car agency came to the rescue. We made the most of our wait, dining and drinking at Bubba Gumps! The next day we went to The Price is Right but none of us were called on stage. We then headed to Rancho Cucamonga to serve on an ACTS retreat in the mountains.

We also made a practice of going to First Friday Mass and confession at St Joseph's downtown followed by lunch and shopping afterwards at Dillards for the clearance bargains. Melanie always found the best!!!

The couples dinners and birthday celebrations kept our circle of friends close with faith sharing, fun and laughter.

Melanie made Shannon's wedding extra special with the most beautiful flower arrangements. She was so talented with everything that she attempted because of the love that she put into everything she made.

I will miss you dearly, sweet friend. Pray for me!
