Melba loved two things in this world, her granddaughter super Ellie and her pretty princess Olivia (German Shepherd). Melba's favorite thing to do if she wasn't spending time with her kids or helping Super Ellie solve crimes she was watching crime shows and drinking her Abor Mist wine while playing on her Ipad playing casino games wishing it was Kickapoo. Melba was a the type of person who would go out of her way for you, any time, any day, no matter what. She was a living angel walking amongst us. Her Aura light up a room and had a calmness quality, she always choose to see the good in everyone. When she would sense something was bothering you, you didn't even have to say anything she just knew and would always say, "Everything's going to be fine, you'll be fine, you'll see". She was the most selfless and caring person. If

she was coming to see you, she'd usually bring along her latest Pinterest/tiktok baking creation or meal for you to try. Her smile, laugh and love will forever be missed by those who got to call her family or friend. Till we see you again at those gates mom. We love you.

Mom I'm going to miss you so much. I can't thank you enough for loving Ellie the way you do, I can't thank you enough for everything you did for Melinda, Bobby, and I. You gave us the world and made us feel like we could anything we wanted. I feel so small in this world knowing that you no longer in it. I don't know what we are going to do but I do know that you loved us with all your heart. I can't wait to see you and be with you again. I love you so much mom.

My name is Mariah Derby and I was Melba's niece. My Tia was a beautiful light that everyone was A beacon to. If you knew her as we all do in some way or form she touched you in . She was always there for you when you needed her no matter what. She was the most selfless person I knew . It was hard complimenting her she would give you her jewelery if you liked it . Every holiday she celebrated and even if it wasn't shed always try to feed you one of her latest finding on Pinterest or recipe she came across. She was an amazing wife, mom, sister, aunt, and grandma. She doted on her family like no other she loved them very much and was extremely proud of what they have accomplished in there lives. But the thing she loved the most was her Ellie belly and dog ollie. It was no surprise that she also loved gambling and scratch offs which she won at effortlessly. Luck only some of us wish we had! It's no wonder her my mom were the best of gambling buddies when it came to the casinos especially kickapoo. Uncle Rick, Bobby, Melinda , Rosalinda stay together and stay strong. when you're feeling low and missing your mom if you look in the mirror or each other you will find your mother within each of you. Untill we meet again Tia we will all miss you and we love you greatly.
