“ I knew Melita in junior high in Fort Worth, TX. Unfortunately, I can't remember details of how we met or how long we knew each other. It must have been at school at Daggett Jr. High. What I do remember is how wonderful she was to spend time with! The times I spent at her home were such fun. Her family was always kind and welcoming to me, as I occasionally joined them for dinner. I was saddened to find that Melita has passed and any chance to reconnect with her is now gone. She was a great friend to the awkward, shy, red headed girl I was.

“ It's 5:23 a.m. March 07, 2023. I was in bed trying to fall asleep, while I lay down I began thinking of some World War 2 French flash cards she barrowed from me back in 1982, she never gave them back to me, but it's ok, lol. Anyhow, I began wondering about her, so I decided to Google her and found the sad news of her passing. She was my all time favorite french teacher. I'll always remember her.
Mario Garcia, McCollum High School class of 1982.

“ Melita was a gentle soul with a sincere and wonderful laugh. I met her in 2005 as a co-worker at DLIELC at Lackland AFB where she supervised English instructors. I liked many things about her, but what I liked most is that she was a good listener, she always offered assistance and she had a good heart. I hadn't seen her since she left before the pandemic. She was definitely "one of the family." My condolences to her family. - Gina T.

I just read this and am sad to hear of her passing. Melita was a wonderful supervisor and friend. She was an electronics supervisor who treated everyone with respect. May her memory be a blessing. I got to know her well only the year before she retired but I am grateful for the time I had to work and speak with her.

I had Ms. Hineman for French class too. I used to write my own hall passes signing her name on them, she allowed it, she and I had identical handwriting. Lol. I'm saddened to learn of her passing, she was my favorite teacher. Mario Garcia, class of 1982.
