“ *I have been blessed to have only one special & very memorable uncle on each side of my family. Uncle Melvin is on my Dad's side. Anyone who is willing to take on 3 teenage and preteen girls for a few days alone is pretty memorable! That was actually a fun memory of him coming to stay with us. Bonding at a whole new level! Another funny story is the time on Easter Sunday when I ran up to who I thought was my Dad and asked for a live baby chick. I heard 'oh sure!' Surprised he said yes- I quickly realized it was Uncle Melvin when he turned around! You see- from the back they looked almost identical! I look forward to the day that once again I can hear this voice and see this face. Much Love- from Alisha Kirkland Kimbley*
