“ *My thoughts and prayers are with the family . Memory will always carry a special place in my heart . I took care of memory for about 3 years and every day was a special one . I'm saddened for the list of my dearest friend . May she rest in eternal peace .*

“ *Memory is one of my all time favorite residents. The first time I worked with her, I gave her a manicure & listened to her reminisce about her days as a teenager. She eventually asked me where I went to high school (it was the rival of her Alma mater), she told me, "oh you poor thing!" Every day I cared for her was an adventure! She dubbed me as "my friend". Her eyes lit up just as much as I did when we saw each other. It breaks my heart knowing she's really gone, but I take comfort that she's finally reunited with her husband.*
