“ Dear Meynard's family,
My name is Brittany Brennan and I am one of Meynard's neighbors on Knox Ct. You all have been in my heart and on my mind lately so I wanted to share my deepest sympathy. Meynard is missed in the neighborhood. We would walk our dogs each morning and night and share pleasantries with each other. I truly wish we had a chance to get to know each other better. His dogs were so well loved- likely the happiest dogs on the block- and my little dog would always get to say hi to his dogs which she absolutely loved. I hope they are doing well!

I wanted to share my contact information just in case you all needed anything taken care of for his home. I live a few houses down, work from home and can check on anything if needed.
