“ *Michael was my brother for most of our lives. He had a great kindness in his heart for humanity. He looked for the good in us and he tried to find ways of helping. He gave us our beloved Amanda- and that is a most wonderful gift indeed. Thank you, Michael. Love and light to you on your journey, my brother.*

Dear Susan, I miss you and hope you are doing well. Michael was the first person I was in love with. I don't think you ever knew that because I never told anybody. He had such a huge heart and that darling personality. I'm sending my love and best wishes to his family and my dear friend Susan pipes. Amore oh, Leslie Ann Taylor

Dear Cousins,

I just came across this. Your father, Stuart, was my oldest cousin, and I was his youngest. I remember you all being at our house in Omaha in the late 1960s. I thought it was interesting that Stu had a Michael and a Stephen, since I am Michael Stephen. I last saw Stu at his sister Mary Ann's funeral. My condolences on the loss of Mike.
