

Michael Ray "Mike" Cody

January 28, 1963 - September 27, 2018

Michael Ray "Mike" Jackson Coody, was born on January 28, 1963 to Nora Evelyn Wilson Coody and Wesley Valson "Whitey" Jackson Sr. in Burnet, Texas and raised in San Antonio, TX. Mike passed away on September 27, 2018 at the age of 55 after a heart stent operation in San Antonio, Tx. He graduated from Henderson High School in 1982 where he was a record breaking middle linebacker for the football team. He enjoyed competitive karate as a 1st degree black belt and was thankful to his mentor Jon Choo. Growing up on the South Side of San Antonio he enjoyed working with his father and family at Jackson Auto Parts on Mission Road and Southcross, there he learned how to fix anything with nothing the old school way. His life was filled with things and people he loved: His children Michael, Michaela and Logan riding his motorcycle with his many friends, spending time at the Texas coast fishing and camping, and spending quality time with his family. He loved to make people laugh and was a natural born prankster. He recently retired from City Public Service Energy after 29 years of service as a Journeyman Welder. Mike ended almost every phone conversation with "I love you". He was and always will be Mama's "Little Precious". Mike is survived by his children: Michael, Michaela and Logan Coody and their Mother, Dawn McDowell Moore; Sister: Debbie Harris; Nephew, Daniel Rivas; Nieces, Stephanie Eiland and Kristin Tips; Girlfriend, Jackie Philson; and a host of cousins, extended family and friends. Pallbearers are: Michael Coody, Logan Coody, Daniel Rivas, Eliot Maldonado, William Schenkel, James Philson,

David Padier and Doug Mikes. Honorary Pallbearers: Collis Ford, Dale Proby and Jay Engleton.

“ Mike was a good friend to my family. I remember when I was a little kid he would always throw me up in the air and make everyone laugh. I'm so sorry for yall' loss, Mike will never be forgotten.

“ Our father was most definitely known for his infectious smile, inappropriate jokes, extremely loud snoring, calling anyone for absolutely no reason just to have a conversation and let you know that he loved you, but above all of that he was known for the amazing father he always has been to Michael, Logan, William, Jordan and Myself. I will never be able to put into words how proud I am of the father and mother he has been through out my life. He loved every friend he made and valued every friendship he had. He lived a life full of excitement and laughter without a care in the world and he would want every one of us to celebrate his life and reminisce on all of the memories we share with him. I know he's smiling from heaven right now with his mother who he loved dearly, his father and his best friend Ray resting in peace and in great health. He will continue to be a huge part of our lives and I will carry with me all that he has taught me over the years forever.

“ *I met Mike when I was Michaela's teacher back at John Glenn and Oak Crest. He was always so kind and loving towards his daughter. And, he always had a smile on his face. His laughter was contagious. And, he raised a terrific young woman with a great head on her shoulders. You left us too soon Mike and you will be missed by so many.*

“ I only knew him as "Uncle Mike". He was my brother and one of my best friends. He taught me so much during my life that I could never do justice in a single tribute. Mike was more to me than family, he was more like my Dad. I will forever miss him and he will forever be immortalized in my heart. To honor a good man is to carry on his traditions and strive be as loved as he was. Until I see you again.
Love you always
