

Michael A. Dorman

May 22, 1982 - December 12, 2024

Michael A. Dorman passed away on December 12, 2024, in San Antonio, TX. He was born on May 22nd, 1982, in Jamestown, NY to Laurie Blake and Robert Blake. He was preceded in death by grandparents Lela and Bill Thorne, Wayne Blake, and Audrey Dorman.

Michael attended high school in Lytle, TX. Most of his education though came outside the classroom and through real life experiences. He began a career in the service industry. He spent many years working landscaping.

Michael loved to be outdoors when the weather was nice. He could often be found with a fishing pole. He would spend his weekends driving around town in his beloved Mustang with his dog, Bella. He enjoyed spending time with his family and having gatherings where he was able to showcase his self-taught culinary skills. He had a love for football. Among his favorite teams were NY Jets, Buffalo Bills and the Kansas City Chiefs. The Texas Longhorns were his go to team for college football. He was proud of his collection of hats and jerseys that showcased his love of the game.

Michael had battled and fought many health challenges throughout the years after being diagnosed with diabetes in his adolescent years. He lived his life to the fullest on his terms, in his way, while never giving up.

Michael is survived by his parents Laurie and Robert Blake, sister Laura Blake (David Parker), niece Kaitlyn Parker, and nephew Kaleb Parker, spouse,

“ Michael you have been a member of our family and Emily’s best friend since y’all went to school together. I so enjoyed your talks while sitting at our breakfast table. I will forever hold those memories in my heart and know that you will be missed so much! We never had the chance to meet your girl who played such an important part of your life. I am so glad that you had that joy with her before you left us. We will see you again one day and will see you with your perfect body with no pain or problems 💕💕 Love always💕

I just learned of Michael's passing. I met him in the early 2000's in Austin, TX. Michael was a good guy and gone way too soon. I hope his family and friends are healing. May he rest in peace. Until we meet again.
